

SPONSOR HARVEST FEST

Join us in celebrating and supporting the Muskegon Rotary Club's **NEW** fall fundraising event: Harvest Fest!

Proceeds from the event will benefit Read Muskegon and other charitable causes supported by the Muskegon Rotary Foundation (501c3).

Dear Potential Sponsor,

We are excited to share with you the NEW Harvest Fest event taking place October 26, 2023 at the Baker College's Culinary Institute of Michigan (CIM) in downtown Muskegon from 5pm-9pm. Proceeds for the event go to support Read Muskegon and other area charitable causes supported by the Muskegon Rotary Foundation (501c3).

The event will feature an evening of fall harvest culinary delights created by the CIM students paired with a variety of wines, craft beers, seltzers and soft drinks. The Harvest Fest event will provide great networking opportunities, live music by Johnny Breeze, a 50/50 raffle and select silent auction items.

Tickets are currently on sale and are only \$65 from now until Sept 22. Beginning Sept 23, prices will be \$75. Each ticket provides entry into the event, a signature Harvest Fest glass and one free beverage ticket. A cash bar will be available.

We invite you to support this inaugural event! Corporate sponsorships are available at various levels. This opportunity will allow businesses to engage, show community support, and get in front of 300-400 attendees including Rotarians, business leaders and community members. Plus, funds will help Read Muskegon and other Rotary Foundation charitable causes.

Contact us at rotaryharvestfest@gmail.com or 616.893.5459 to learn more.
